Role expectation mapping canvas

Role:

Date:

My neighbourhood

What are the **primary** roles you interface directly with day-to-day?

1

My responsibilities are...

What are the things you're responsible for day-to-day?

3

My challenges are...

Given what you've discussed, what are the things you find difficult about your role?

5

My neighbours can tell I'm succeeding when...

What are the externally visible signs when things are going well?

2

Expectation in my neighbourhood...

Who?	What they expect of me	What I expect of them

4
